GAMING GROUP

March 12, 2020

Dear clients and community,

In light of recent developments regarding Coronavirus (COVID-19), I want to update you on the preventative measures we are taking here at Wisdom. Our number one priority is the health and well-being of our clients, employees, and the gaming community.

As a result, we are postponing any events in the short-term as an effort to minimize the risk of people contracting the virus. Under the advice from relevant authorities, these are important measures that we need to implement.

Please take all the necessary precautions to stay healthy, and we will keep you informed of any developments, particularly as they pertain to upcoming or rescheduled Wisdom events.

Take care,

Mike Zweigbaum
